You may also email us at customerservice@denalystatebank.com. However, electronic mail (email) transmissions are not secure. We, therefore, request that you do not send us or ask for sensitive information, etc., via any general form of email system.

Secure email can be sent to the bank AFTER signing on to Denali Online and using the 'contact us' option. You will be required to enter your identification and PIN. Once you are in a secure page as evidenced by the secure lock symbol, you can send a secure email.

V. HOURS OF ACCESSIBILITY

You can access your accounts through Denali Online seven days a week, 24-hours a day. However, at certain times, Denali Online may not be available due to system maintenance or circumstances beyond our control. During these times, you may use our touch-tone service, Denali Direct at 907.458.4291.

VI. BILL PAYMENT THROUGH DENALI ONLINE (BILLPAY)

Bill Pay through Denali State Bank allows you to schedule bill payments. You can arrange, at your option, for the payment of your current, future and recurring bills from your designated Bill Pay Account. Bill Pay allows you to pay merchants, individuals, and institutions. There is no limit to the number of payments that may be authorized. We are, however, unable to process any payments to federal, state, or local tax agencies.

The date the payment is to be sent is called the "Payment Date". When we receive a payment instruction (for the current or a future date), we will transfer funds on the payment date from the funds in your Bill Pay Account to the payee on your behalf.

Bill Pay will not be obligated to make a payment unless your Bill Pay Account has sufficient funds. Funds for electronic bill payments will be withdrawn from your Bill Pay Account on the scheduled Payment Date.

NO DUTY TO MONITOR PAYMENTS. We do not have any duty to monitor the payments that are made through the Bill Pay Service. If you are a business and an authorized representative of your business uses your Bill Pay Account to pay bills which are not yours, you assume the entire risk of loss and indemnify and hold us, our directors, officers, employees and agents harmless from all loss, liability, claims, demands, judgments and expenses arising out of or in any way connected with such use.

STOP OR CHANGE INSTRUCTIONS. You have the right to stop or change any scheduled bill payment. However, you must cancel a payment by no later than 11:00am Alaska Time on the Payment Date.

SCHEDULING PAYMENTS. There will be a delay between the Payment Date (the date your payment is sent) and the date the payee receives that payment. Any payments made through the Bill Pay Service require sufficient time for your payee to receive your payment and credit your account properly. To avoid incurring a finance charge or other charge, you must schedule a payment sufficiently in advance of the due date of your payment. **YOU MUST SCHEDULE THE PAYMENT AT LEAST FIVE FULL BUSINESS DAYS PRIOR TO THE DATE THE PAYMENT IS DUE AT YOUR PAYEE.**

Bill payments are made from your designated payment account for the amount requested by you to the scheduled payee through Bill Pay. You must be an owner of the designated Bill Pay account.

Payments may be made up to a maximum of \$5,000.00.

BANK ERROR. If Denali State Bank does not properly complete a bill payment on time or in the correct amount, we will pay any late fees or finance charges which you reasonably incurred as a result as long as your account was in good standing with the payee prior to this incident. We will also be liable to you if we fail to stop a payment pursuant to your order to do so, so long as your order describes the payment with reasonable certainty and is received at a time and in a manner that affords us a reasonable opportunity to act on it before the payment is sent. Except as stated in this Agreement, any stop payment provisions of the agreement otherwise governing your Eligible Account that is applicable to checks will also apply to Bill Pay. We will not be responsible for any charges imposed or any other action taken

by a payee resulting from a payment that you have not scheduled properly, including any applicable finance charges and late fees. In addition, we will not be liable if any third party through whom any bill payment is to be made fails to properly transmit the payment to the intended payee.

BILL PAY ACCOUNTS ACCESSIBLE BY MORE THAN ONE PERSON. If a Bill Pay Account is owned by more than one person or is accessible by one or more authorized representatives, each such owner or authorized representative may individually enroll in Bill Pay (each such person is referred to as an "enrolled person"). Each enrolled person needs a unique password. The terms of this Agreement will apply to each enrolled person. Each enrolled person may choose to share the same payee list. Any enrolled person may terminate his/her enrollment in Bill Pay without affecting the Bill Pay Service of any other person using that Bill Pay Account. Any enrolled person may also terminate the Bill Pay Service for the Bill Pay Account, which will terminate the Bill Pay Service of all enrolled persons tied to that Bill Pay Account.

BILL PAY CUSTOMER SERVICE. An additional service is provided during non-business hours. This phone number and service hours are provided on the Online Banking Bill Pay website page.

VII. TRANSFERS

Through Denali Online you are allowed to make transfers between your various Denali Online accounts. You may also make your Denali State Bank loan payments. You must be an owner of and have the unrestricted right of withdrawal from all accounts to or from which you request a transfer. We reserve the right to deny transfers between certain types of accounts under certain circumstances.

A transfer initiated through Denali Online before 7:00pm (Alaska Time) Monday - Friday is posted to your account the same day. All transfers completed after 7:00pm (Alaska Time) on a business day will be posted on the next business day. Our business days are Monday through Friday, except for banking holidays. "Banking Holidays" shall mean all federal and state banking holidays. Transfers initiated on Saturday and Sunday, will be posted the next business day.

The number of transfers from accounts may be limited as described in the applicable portions of the deposit account information. Each payment or transfer through Denali Online from a savings or money market account is counted as one of the six limited transfers permitted per month, as described in the Disclosure and Regulations.

If a hold has been placed on deposits made to an account from which you wish to transfer funds, you cannot transfer the portion of the funds held until the hold expires.

All terms not otherwise defined in this Agreement which are defined in Regulation E will have the same meaning when used in this section.

EFT Provisions: Notify us immediately if you believe another person has improperly obtained your Denali Online Identification or PIN. Also notify us if someone has transferred or may transfer money from your Bank deposit account without your permission, or if you suspect any fraudulent activity on your account. - \$50 or the amount of unauthorized EFTs that occur within the two business days, whichever is less; and
- the amount of unauthorized EFTs that occur after the close of two business days and before notice to us, provided we establish that these EFTs would not have occurred had you notified us within that two-day period.

3. You must report an unauthorized EFT that appears on a periodic statement within 60 days of our transmittal of the statement to avoid liability for subsequent transfers. If you fail to do so, your liability will not exceed the amount of the unauthorized EFTs that occur after the close of the 60 days and before notice to us, and that we establish would not have occurred had you notified us within the 60-day period. We will tell you the results of our investigation within ten business days (20 days if you initiated the transaction from outside the United States or if the account has been opened within the last 30 days) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if you initiated the transaction from outside the United States or Point of Sale transaction) to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within ten business days (20 days if you initiated the transaction from outside the United States) for the amount you think is in error, so that you will have the use of your money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten days, we may not provisionally credit

your account.

If we determine that there is no error, we will send you an explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

THIRD PARTIES. Except as specifically provided in this Agreement or where applicable law requires a different result, neither we nor our service providers or other agents will be liable for any loss or liability resulting in whole or in part from any act or failure to act of your equipment or software, or that of an Internet browser provider such as Chrome, Mozilla, or Microsoft (Microsoft Explorer browser), by an Internet access provider, wireless device carrier provider, by an online service provider or by an agent or subcontractor of any of them, nor will we or our service providers or other agent be responsible for any direct, indirect, special or consequential, economic or other damages arising in any way out of your access to or use of, or failure to obtain access to Denali Online.
